CHAMPIONSHIP WINGS

BURNT & BLEU SALAD

Finding a top-notch catering company who delivers excellent food AND five star service can feel like climbing a mountain without a secure line holding you. When climbing, the sweet spot comes when you have enough slack to get creative, while knowing the rope is tight enough to keep you safe. Same with catering. You should have the freedom to create the menu of your dreams, while being backed with a secure promise of unmatched service.

That’s where we tie in.

Knotty Catering Co. uniquely combines the novel flavors of Downing Street Pour House with the world-championship tastes of Gettin’ Basted... but we don’t stop there. We also provide exclusive menu items you can’t find from either restaurant as an added bonus. Not only is our foods’ quality and variety unsurpassed, but we promise AND deliver service guaranteed to bring your experience to new heights. We also have empty holds in our menu, allowing you to latch onto your dream event from previously uncharted territory.

Thankfully yours,

Brad, Tammy, Jason & Derrick
Owners

CANCELLATION POLICY

Book with confidence, because we know life happens sometimes! We allow cancellations up to 24 hours before the scheduled event takes place. Anything cancelled within 24 hours will unfortunately incur full charges – as we have already ordered and processed your food items and staffed for the day. We appreciate your understanding!

TALK KNOTTY TO US

We recommend reaching out through phone or email before submitting a full order - that way we can work together every step of the way to create the event that exceeds your expectations. If we can't answer right away, we will re-connect with you just as soon as possible! All catering orders should be placed a minimum of 5 days in advance.

FULLY CUSTOMIZED MENUS AVAILABLE

This menu is nowhere close to exhaustive! We like to think of these menu options as an inspirational spark that leads to the catering menu of your dreams. Have allergies? Want an upscale presentation? Craving something you don't see? **Knot a problem.**

KNOTTY 'QUE strand 1

WAGYU BRISKET GF \$30 PER POUND

WORLD CHAMPION PORK RIBS GF \$30 PER SLAB | 10-12 BONES

We have won countless awards for these ribs, including the 2020 KCBS' Rib Team of the Year. Like the rest of our meats, our ribs are smoked to perfection in a fraction of the "normal" cook time, then embalmed in a shiny glaze of our signature bbq sauce. You may fall out of your chair when you see how easily the meat falls off the bone.

HOT & FAST PULLED PORK GF \$17 PER POUND

Wait, did you think you could only have turkey on Thanksgiving? Let us prove that belief wrong. You're formally invited to get basted with our delicious smoked turkey all year long.

SMOKED BOLOGNA GF \$14 PER POUND
